Executive Editor
The Washington Post
1150 15th Street, N.W.
Washington, D.C.

Dear Ben:

I can assure you that no one now on the staff of The Washington Post has a connection with the Central Intelligence Agency. A review of our files failed to reveal any such connection within the past ten years.

It has been my policy not to comment on Agency relationships with stringers.

Sincerely,

W. E. Colby
